Dear Parent/Carer,

I'm sure you will be aware of the latest Government guidance about gatherings of more than 6 people, although this ruling does not apply to schools and other establishments.

The Government's slogan at the moment is Hands-Face-Space. This means wash your hands regularly, wear face coverings when appropriate and keep your social distance.

If you do have symptoms of COVID-19 make sure you self-isolate immediately and take appropriate action. You must also let school know and keep us updated regarding test results, anything you tell us will be in strictest confidence.

Best Wishes
