Modern Foreign Language (MFL)

We believe that the learning of a foreign language provides a valuable educational, social and cultural experience for our pupils. It helps them to develop communication skills including key skills of speaking and listening and extends their knowledge of how language works.

Learning a modern foreign language promotes an interest and curiosity about the wider world and a sense of European/International identity. Languages raise children's awareness of being a global citizen.

At this school we offer the following MFL to our pupils in Key Stage 2:

- French.

Aims:

- To develop an enthusiasm for learning languages and to become aware of the benefits of understanding and speaking different languages.
- To communicate in other languages by speaking and listening, reading and writing.
- To respect and understand other cultures, heritage and multilingualism.
- To become involved in the International dimension of the school through the development of links with other countries.
- To make the learning of a MFL an enjoyable and rewarding experience.
