

The RSE (SRE) Core Curriculum Outline

The RSE Core Curriculum offers an overview for foundation stage, primary and secondary curriculum for school staff in Northumberland via a dedicated website. It provides learning outcomes and suggested resources to use with pupils in mainstream school and with pupils who have a learning disability of difficulty. Detail has been provided in relation to those aspects that Ofsted has recommended require improvement, such as the identification of clear learning outcomes and assessment processes.

TOPICS	Northumberland RSE Primary Curriculum Overview						Secondary Curriculum Overview						
	Foundation Stage	KS 1		KS 2			KS 3			KS 4		KS 5
