Homework

We believe that homework is a number of tasks or activities which pupils are asked to do on their own or with their parents in order to reinforce curricular objectives and learning outcomes.

We believe homework consolidates and reinforces skills and understanding in numeracy, literacy and other curriculum areas, helps raise the level of achievement of individual pupils, provides opportunities for parents and children to work together and, thereby, fostering an effective partnership between home and school.

We consider homework should be:

- interesting and rewarding for all children;
- integrated into everyday planning and set by the class teacher;
- differentiated to cater for individual children's learning needs;
- clearly understood so that children understand when, what and how the work is to be done;
- marked and fed back to the children promptly

We value the support of parents/carers and we believe that this policy will be successful if there is a strong partnership between home and school which is reflected in the Home-School Agreement.

Aims:

- To reinforce curricular objectives and learning outcomes by setting interesting tasks or activities.
