

Seaton Valley Council
A Community Council

Additional help over Christmas offered by the Blyth Foodbank in Partnership with Seaton Valley Council

November 10th

The Blyth Foodbank is offering to supply additional food parcels to families in need over the Christmas period in the Seaton Valley Area

This would be a family food parcel with essentials and Christmas specials as well as an additional small parcel of Christmas goodies for any children in the family.

We would ask each school to refer any families that they feel need help including the numbers of adults and children in each family they refer.

The Foodbank would then provide Seaton Valley Community Council with the parcels required which we could be delivered either directly to the school or to the individual families.

We would be grateful if all referrals could be made directly to Seaton Valley Council via email by Friday 6th December 2020.

The Council's contact details are as follows:
