

Believing and Achieving Together

Dear Parent and Carer

School have a statutory duty, with guidance from the Department for Education, to teach children about relationships. We will structure learning to include: families and people who care for me; caring friendships; respectful relationships; online relationships; being safe.

We, as a First School, do not have to, and will not, teach Sex Education.

We have generated a RSE Policy and Curriculum map which can be found on our website [[About Us](#) then [Curriculum Policies](#)] and would like to consult with you.

If you have any comments about the teaching of relationships please

email: admin@seatondelaval.northumberland.sch.uk and we will respond as soon as possible.

Take care and keep safe,

SDFS
