

Sport Premium statement 2020 - 2021

Due to COVID restrictions, regulations, guidelines and the 'bubble' system we have not organised visiting coaches or afterschool clubs to minimise risk to children and staff.

Classes became 'bubbles' and we stocked an outdoor activity box for all 7 classes. Each class box contained: bats, variety of different sized balls, hoops, skipping ropes, etc. [a wide variety of other equipment]

We also invested in large outdoor resources - dominoes, skittles, connect 4, etc. - these are used then wiped.

Playtimes and lunchtimes are staggered with teachers and LSA's supervising. Adults lead games and structured activities to support and model learning and skill development.
