

Up to now school will open tomorrow as normal. Other schools have been advised to close due to staffing issues, we are lucky enough to be able to open.

We understand that this is a really difficult time for everyone but the government states that children of primary school age should be attending school. You have a parental responsibility for your child, therefore it is your choice whether you send your child to school or not and at the moment we cannot say if you will receive a fine or not for your child not attending school.

We are aware that the government will be meeting later today and this could change all previous information we have shared.

Many Thanks
