8th October 2018

Dear Parent/Carer,

We have a major water leak in the ceiling of 2 cupboards in the boulevard area of the school which could spread to other areas. Unfortunately this means that all of the heating system will have to be drained so there will be no water for toilets, washing, heating or the kitchen. There will be scaffolding up throughout the school. As a result of this we will have to close the school for 3 days this week, Tuesday, Wednesday and Thursday to allow workmen in to fix the problem.

During this closure there will be no after school sports clubs. Celebration Assembly will be cancelled and will be on 28th November. Nursery Parent's evening will have to be cancelled; a new date will be arranged.

Hopefully school will re-open again on Friday 12th October. Should we have to remain closed another day, a text will be sent out on Thursday.

We apologise for any inconvenience this may cause but for Health and Safety reasons we have no option but to close the school.

Yours sincerely,

Mrs M Richards
Chair of Governors
