PARA GAMES

The Northumberland School Para Games will be taking place slightly earlier this year on **26TH APRIL 2016** at Ashington Leisure Centre. The new leisure centre, opening this autumn boasts indoor cricket nets, a six-lane 25 metre swimming pool, a six-court sports hall with extensive floor space, an amazing fitness studio, and two dance studios with sprung floors.
The Para Games will once again be offering activities aimed at both primary and secondary aged pupils, however we will be looking at altering the programme to make the best use of the fantastic facilities available. We welcome any suggestions from schools about which events to include, and the structure of the day.

STAND ALONE EVENTS

The Northumberland School Games is a year round competition with local level 2 events taking place almost every week. There are also a series of 'Stand-Alone' events which the are County finals in sports which can not be hosted at the Level 3 Festival. In the Autumn term , **TABLE TENNIS** kicks of the calendar with the team competition taking place at Cramlington Learning Village on October 22nd. **SPORTS HALL ATHLETICS** heats are scheduled in each School Games area in November and December followed by the finals in January. Cambois Rowing clubs will once again host the indoor **ROWING** event on December 4th. **BADMINTON** and **BASKETBALL** finish the programme in the spring term, dates to be confirmed. Please look out for invitation to these events which will come from your School Games Organiser
