Collection of guidance for educational settings on GOV.UK

All of the Department for Education's coronavirus guidance for educational settings can now be found in one place on GOV.UK at:

- <https://www.gov.uk/government/collections/coronavirus-covid-19-guidance-for-schools-and-other-educational-settings>

Our main guidance for schools, the 'school closures guidance', will be regularly kept up-to-date. Any new advice for schools on specific issues, such as food, exams or safeguarding, will be linked from it:

Handwashing advice

The most important thing individuals can do to protect themselves is to wash their hands more often, for at least 20 seconds, with soap and water. Public Health England recommends that in addition to handwashing before eating, and after coughing and sneezing, everyone should also wash hands after using toilets and whenever you return home.

The latest guidance and video on hand washing can be found here:
