Checks on students

July addition to Northumberland Child Protection Policy

Procedure for all work experience, College and University students.

- Before a placement begins, the Headteacher (Designated Senior Person for Child Protection) will contact their school, College or University.
- The Designated Senior Person for Safeguarding at the school, College or University will be asked if there are any safeguarding concerns.
- The Headteacher will ask for an email to confirm "no concerns."
- Students will not be inducted until confirmation has been received and verified by the Headteacher.
- During induction, Safeguarding will be carefully explained with clear expectations.
- Induction will reinforce how to report a disclosure against any adult in school.
