2nd March 2017

Dear Parents/Carers

I would like to invite you to a presentation on Monday 13th March 2017 at 6pm until 7pm in the main hall at Astley Community High School to hear about the proposal from the local authority concerning the capital build at Elsdon Avenue for the Seaton Valley Federation which has been recently announced.

At the meeting there will be an opportunity to look at capital builds that have occurred at other schools in Northumberland. I will also take the opportunity to explain why the Federation has asked the Local Authority to look at investing in our schools. The Chair of Governors will be in attendance to explain why the governors are happy the Local Authority is proposing the capital build.

Unfortunately I will not be able to share any details concerning the project as these have not yet been worked out. Presently all we have is an agreement from the Local Authority to invest in the Federation. As soon as I have more details I will of course share them with you.

In order to plan for the event I would be grateful if you could please return the slip below to the main office at Astley Community High School or Seaton Sluice Middle School.

I am looking forward to seeing you on the 13th March.

Yours faithfully

Mr J Barnes

Executive Headteacher
